This is a detailed architectural floor plan of a multi-unit residential building. The plan is divided into several color-coded sections, each representing a different unit or apartment. The units are labeled with numbers 1, 2, 3, and 4, and their respective areas are provided in square meters (m²).

Unit 1 (Green): Located in the bottom right, it includes a large living area (18.04 m²), a kitchen (14.38 m²), a dining area (12.02 m²), and a bedroom (15.66 m²). It also features a bathroom (3.82 m²) and a closet (4.10 m²).

Unit 2 (Blue): Located in the bottom center, it includes a large living area (21.60 m²), a kitchen (16.08 m²), a dining area (13.22 m²), and a bedroom (13.55 m²). It also features a bathroom (3.93 m²) and a closet (3.93 m²).

Unit 3 (Yellow): Located in the top left and center, it includes a large living area (38.61 m²), a kitchen (45.04 m²), a dining area (14.01 m²), and a bedroom (11.92 m²). It also features a bathroom (4.64 m²) and a closet (4.61 m²).

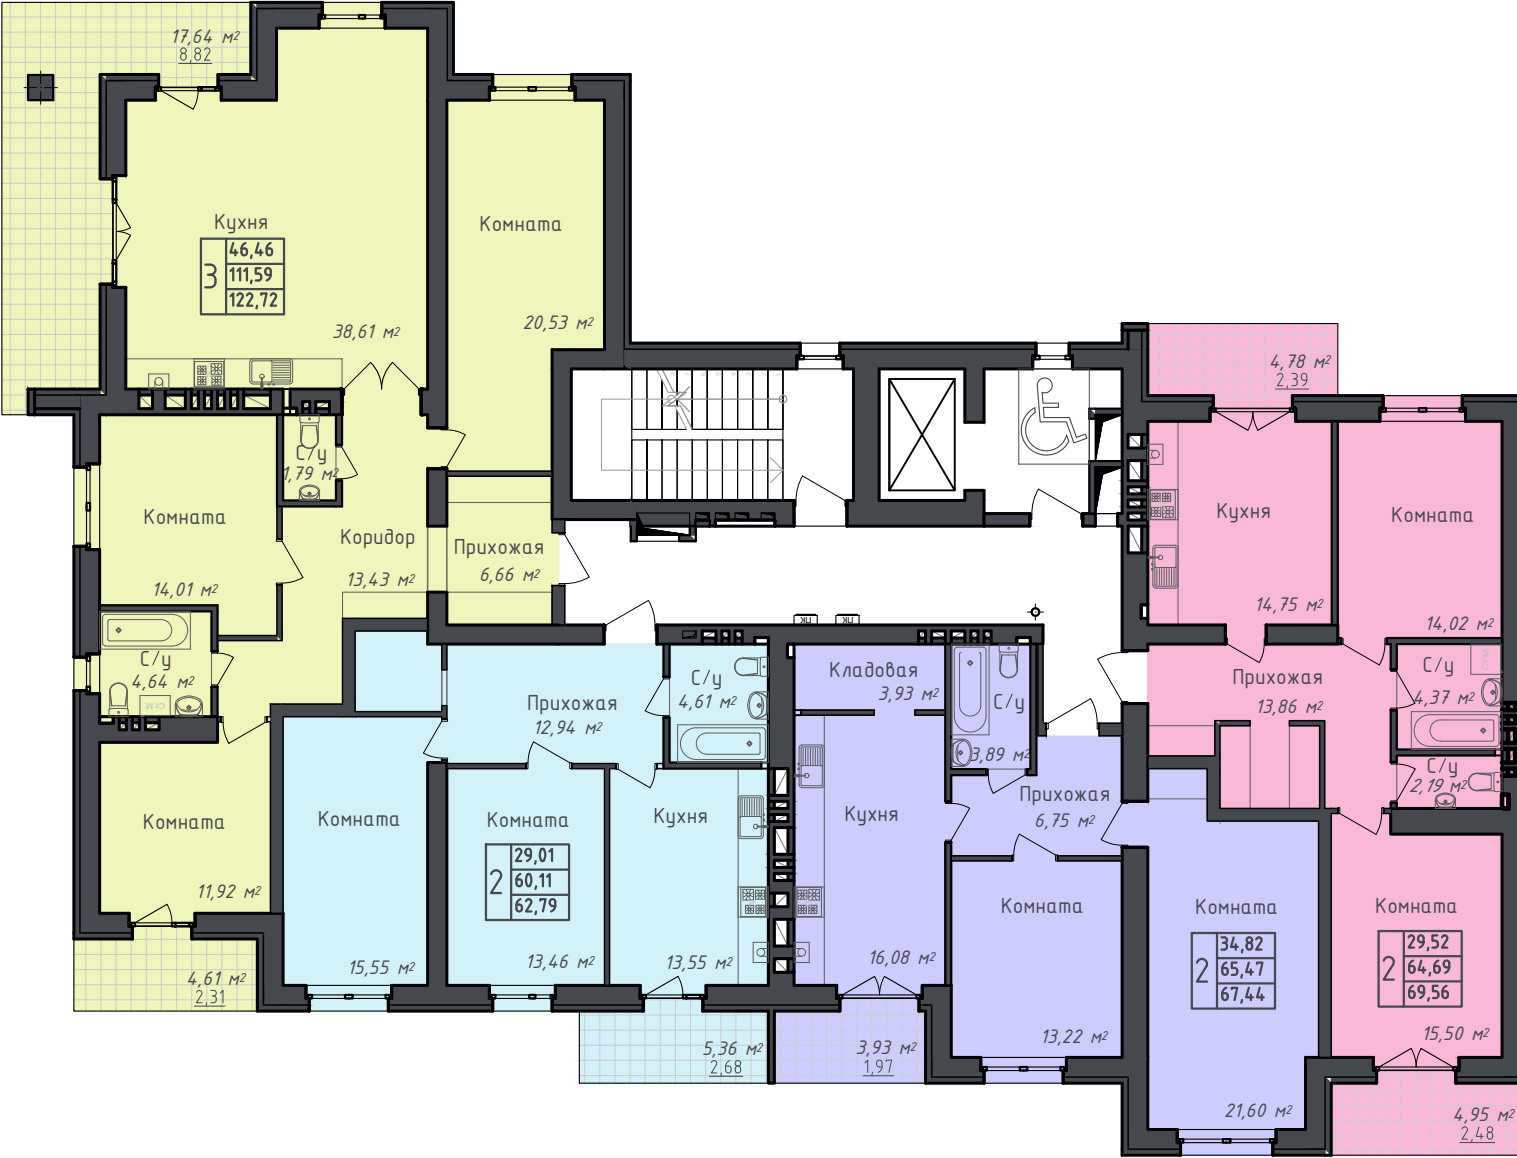

Unit 4 (Pink): Located in the top right, it includes a large living area (18.30 m²), a kitchen (14.08 m²), a dining area (18.30 m²), and a bedroom (15.11 m²). It also features a bathroom (4.24 m²) and a closet (4.24 m²).

The plan also shows common areas, including a central hallway (13.43 m²), a staircase, and a wheelchair-accessible area. The overall layout is complex, with many rooms and corridors, and the color-coding helps to distinguish between the different units.
